Hi Tim,  
Adding Clark at White House Press Office since I am aware the CEO made comments about the entire administration.

Subject: Exxon comments today

Hi Betsaida,

Wondering if EPA has any comments today about Exxon CEO Rex Tillerson saying at the big IHS CERA conference that EPA efforts on fracking are hampering state-level regulators and may be in some cases putting off Updating rules for fear they will be overruled by the federal government in upcoming years?

Thanks, Tim
